CANDY STEEL FURNACE ORANGE

| POWER             |                                                           |
|-------------------|-----------------------------------------------------------|
| Engine            | 4-stroke, DOHC, 8-valve parallel-twin, liquid cooled      |
| Displacement      | 999cc                                                     |
| Maximum Torque    | 76.7 lb-ft @ 7000 rpm                                     |
| Bore x Stroke     | 92.0 x 75.1 mm                                            |
| Compression Ratio | 11.5:1                                                    |
| Fuel System       | DFI with two 50mm throttle bodies                         |
| Ignition          | TCBI with electronic advance                              |
| Starting System   | Electric                                                  |
| Transmission      | Automatic CVT with centrifugal clutch (H,L,N,R)           |
| Final Drive       | Selectable 2WD/4WD with locking front differential, shaft |
| Engine Braking    | Yes                                                       |

| CAPABILITY                      |                                                                                                                                                                                            |
|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Front Suspension / Wheel Travel | Double wishbone, FOX 2.5 Podium Live Valve Internal Bypass shocks with piggyback reservoir, fully adjustable preload, and KECS controlled compression damping/18.6 in.                     |
| Rear Suspension / Wheel Travel  | 4-link trailing-arm rear suspension, FOX 2.5 Podium Live Valve Internal Bypass shocks with piggyback reservoir, fully adjustable preload, and KECS controlled compression damping/21.1 in. |
| Front Tires                     | MAXXIS Carnivore 31 x 10.00R15 8PR                                                                                                                                                         |
| Rear Tires                      | MAXXIS Carnivore 31 x 10.00R15 8PR                                                                                                                                                         |
| Steering                        | Electric Power Steering (EPS) / rack-and-pinion                                                                                                                                            |
| Front Brakes                    | Dual hydraulic discs with two-piston calipers                                                                                                                                              |
| Rear Brakes                     | Dual hydraulic discs with single-piston calipers                                                                                                                                           |
| Ground Clearance                | 15.2 in (max), 14.2 in (std)                                                                                                                                                               |
